Marilyn White-Campbell

Geriatric Addiction Specialist

Community Responsive Behavioural Support Team, SJHCG

Specialized Geriatric Services, CMHA WW

COPA Community Outreach Programs In Addictions

Reconnect

Learning Objectives:

By the end of the session, participants will be able to:

1. Discuss what is known about nicotine dependence in older age.
2. List evidence-based treatments for nicotine dependence.
3. Outline an approach to smoking cessation in older adults and for those transitioning to long term care.

The Geriatric Addiction Rounds are accredited for RNOA, Social Work, Occupational Therapy, and Mainpro+ credits of 1.5 hours per session.

Please contact mwhitecampbell@cmhaww.ca for confirmation of credits or a certificate of attendance.
