

FREE Stroke Care Workshops

For front-line health care providers (eg. PSW, RPN, RN, Rehab Assistants and Restorative Care Aides) caring for stroke survivors and other related patient populations in the following care settings: long term, community, acute, complex continuing care, and other related areas.

Learn, perform, practice, and enhance your care and support techniques to promote safety, comfort, and dignity for stroke survivors and other client populations.

Refreshments and all learning materials will be provided. Please dress comfortably and wear shoes suitable for safe care provision as you will be actively participating in all of these workshops.

The Brain, The Body, and You (BBY) Workshops
