Join our next SE Ontario Typed LIVE CHAT!

The Southeastern Ontario Lived Experience Network invites you to join us for a TYPED LIVE CHAT to discuss the Lived Experience Network: how it is working, how it can be improved and the impact it is having on our participants and the community

When: Tuesday October 3, 2017, 6:30pm - 8:00pm

Where: On the Dementia Crossroads Lived Experience Café
website: <http://dementiacrossroads.ca/chat.php>

Share your feedback!

The SE Ontario Lived Experience Network began in September 2013, followed by the Lived Experience Café community on www.dementiacrossroads.ca and our first live (typed) chat event on March 2014. For October's chat topic, We will discuss the Lived Experience Network and share with you some of the feedback we have received from the health care community. We'd also like to hear your input about how the this network is impacting you. Come prepared to share:

1. How has your involvement in this advisory network impacted you personally?
2. Do you feel your participation in this advisory network has had an impact on the health care system and do you feel more connected and empowered as a result of your involvement? If not, why?
3. What things about www.dementiacrossroads.ca and the Lived Experience Café chat events do you find helpful/useful and what things you would like to see changed?

IF you cannot attend the chat event, please email your responses to sosvald@alzking.com
