FEAR

SENIOR TRANS PERSONS

- ◉ Most senior trans persons have carefully hidden for all of their lives.
- ◉ They are typically not OUT
They are usually in the CLOSET and do not want to be discovered.
- ◉ **Those that are OUT
often face serious family challenges.**

BEING OUT VS THE CLOSET

- ◉ The only difference between a closet and a coffin is that one is standing up and the other is laying down.

CONFIDENTIALITY

- ⦿ **Confidentiality is so IMPORTANT!**
- ⦿ **DO NOT DISCLOSE** our status to anyone unless you have obtained our permission.
- ⦿ Beware of INADVERTENT disclosure
- ⦿ EVERY trans person has a RIGHT to confidentiality
- ⦿ You have an OBLIGATION to protect our privacy.
- ⦿ **Breaching confidentiality can have catastrophic consequences**

TRANS PERSONS AT HOME

- ◉ The person may not want to tell you because of fear of rejection.
- ◉ There may be telltale signs such as clothing of the other gender where it doesn't seem like it belongs.
- ◉ The person may be wearing underwear that is not consistent with the outerwear.
- ◉ The person may wish to dress in a way that family does not agree with.

DEMENTIA...

- ◉ We will waffle and there will be confusion and doubts as our mental condition changes.
- ◉ There is still the need to accommodate in a reasonable manner.
- ◉ This is going to be a most difficult challenge.

PLEASE...

Provide as much accommodation as possible in a compassionate manner.

POLICES AND PROCEDURES

- Please get ready **NOW**
- The Ontario Human Rights Code is the foundation.
EMPOWERMENT for the person and for you.
- Education combined with understanding is vital.
- **PLEASE** be ready to safeguard our Human Dignity.

WHAT ARE YOU GOING TO DO?

- ◉ Where are you going to put us?
- ◉ How are we going to be addressed?
- ◉ How are we going to be treated?
- ◉ What happens when our wishes conflict with what family wishes?
- ◉ What happens when dementia sets in?
- ◉ How are you going to **ACCOMMODATE** us?
