Online Tablet Sessions

Are you an older adult, person with dementia, or caregiver who is looking for new and positive ways to stay engaged at home?

Do you have a touchscreen tablet, or have you been thinking about buying a tablet, but don't know how to use it?

We're here to help with online tablet sessions!

Date and Time: Every Tuesday at 10:00 am (EST) or 3:00 pm (UK)

Location: Zoom (link to join: <https://zoom.us/j/97808236007>)

To support the many older adults, people with dementia, and family caregivers who are at home during COVID-19, we are offering online instructional sessions about how to play games using touchscreen tablets. Most of the games featured are part of the **AcTo Dementia** and **Let's Connect** projects.
