

OTN Geriatric Addiction Rounds

Supporting Smoking Cessation in Long-Term Care: Mental Health, Legal, and Ethical Considerations

Panelists

Dr. Rosemary Meier
Dr. Aviva Rostas
Dr. Marcia Sokolowski
Laura Tamblyn Watts

Facilitator

Marilyn White-Campbell

See page 2 for more information

Learning Objectives

1. Using case based learning we will discuss complex individuals with cognitive impairment and or personality disorders in residents, who are unable to or do not comply with quarantine directives, with mental health, legal and ethical lenses.
2. Participants will gain an understanding of the treatment for NRT, as well as, the behavioural considerations for supporting smoking cessation while in quarantine.

EVENT DATE: MAY 12, 2020
