*Welcome to a World of opportunities with us!*

*Quality care is our top priority.  
Caring for people is at the core of everything we do.*

*Extendicare isn't so much a workplace as it is a care-place.*

*When you choose to build your career with Extendicare, you're joining a team dedicated to making a difference. By focusing our energy on enriching the lives of our residents every day, we transform both the quality of their lives and the quality of our own work experiences.*

*If you have a passion for caring, turn it into a rewarding career with Extendicare.*

Reporting to the Director of Care (DOC), the **BSO - Registered Practical Nurse (RPN)** is responsible for providing planned, patient-oriented, goal-directed nursing care in accordance with the provincial standards of care.

#### Key Responsibilities

- To work as a member of the inter professional team as described by Extendicare's Professional Practice Model applying the person centered approach to care;
- To complete and ensure resident's clinical care assessments, care/service plans and documentation are accurate, up to date and changes communicated as required;
- Assess residents for Dementialbilty programming, review Dementialbilty programming for residents on a weekly basis.
- To participate in resident care conferences where applicable;
- To ensure necessary resident behavioural assessments (DOS, BAT, AMMT etc.) are completed in accordance with policies and procedures
- To assist in education of registered staff regarding BSO policies and procedures.
- To teach, delegate to, and direct unregulated care providers as necessary.
- To work alongside the RAI Coordinator ensuring accuracy of the RAI assessments and complete necessary BSO designated sections.
- Communicate with external partners as need for residents with responsive behaviours
- To provide direct resident care and medication/ treatment administration and document care in compliance with regulatory and Extendicare Resident Care standards and policies and procedures;
