

INTRODUCING:

# The Evans Food Sensitivity Assessment

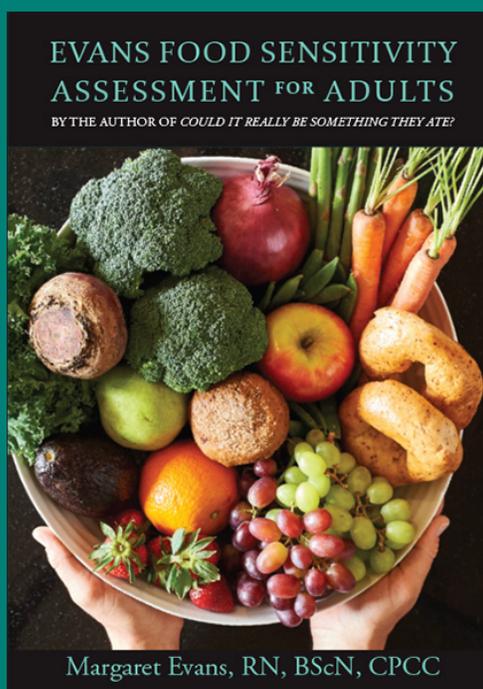

By Margaret Evans, RN, BScN, CPCC

The *Evans Food Sensitivity Assessment* is available to order online for both adults and children.

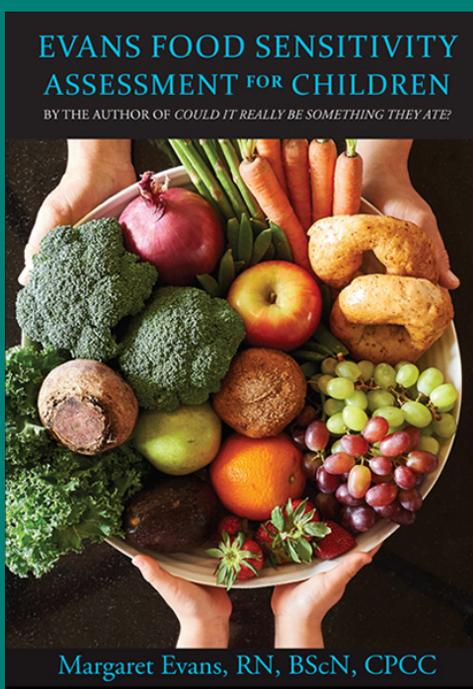

Do you or your child suffer from symptoms such as chronic infections, digestive complaints, mood swings, learning disabilities, joint pain, fatigue, infertility or an autoimmune disease? **Are you frustrated by a lack of helpful solutions?** Find out if food sensitivities could be part of the underlying cause of your symptoms by ordering the Evans Food Sensitivity Assessment.
